

# WAYS AND MEANS COMMITTEE GUIDELINES

Ways & Means Committee is dedicated to earning funds for our club while providing club members with unique, quality Ibizan Hound oriented merchandise. The function of the Ways & Means Committee is vital to the operation of the Ibizan Hound Club of the United States. The funds earned from the sales of merchandise are used as support for the numerous events held throughout the year which get paid for out of the general operating fund.

Merchandise available will be posted on the website. It is the responsibility of the Ways and Means committee to solicit Ideas for new items and seek people who are willing to volunteer their creativity and talent in doing artwork for new designs. This is a great way to meet the many members of IHCUS and the Ibizan Hound community.

Because the raising of revenue is vital to carrying out IHCUS events and activities, such a committee is literally tasked with finding the ways and means with which to raise that revenue.

- Identifying and supporting creative fund-raising activities that can help to build our sense of community as much as they provide funds.
- The committee is welcome to hold specialty auctions at events or on social media.
- House items that are for sale in the IHCUS Store
- Ship/Mail any item ordered to the purchaser
