Non-Regular Classes Involving Single Dog Entries

Entries in the following classes may be spayed or neutered

Winners from these classes are eligible, if undefeated in another class, for Best of Breed competition

-  **Veteran I Class** - 7 years and under 9 years on the day of the show
-  **Veteran II Class** - 9 years and older on the day of the show
-  **Lure Courser Class** - For Dogs and Bitches that have received an AKC lure coursing field trial title.
Entry in this class is not eligible for winners dog/bitch. (Spay/Neutered hounds may enter this class.
Limited Registered hounds are not allowed per AKC rules)

Non-Regular Classes Involving Multiple Dog Entries

Stud Dog Class – For Stud Dogs and at least two, and not more than four of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition, but must be entered in the Stud Dog class. The Get must be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition. The Stud Dog shall be considered one entry and requires one entry fee – this being the regular fee or the additional class fee, if the Stud Dog is entered in another class. The Stud Dog must be shown in the ring with the Get. The class will be judged based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the dog show rules, AKC policy, or the standard of the breed.

Brood Bitch Class - Same as for Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get. As the judge's decision in the Stud Dog & Brood Bitch classes will be based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won either of these classes.

*Chapter 11, Section 8 of the "Rules Applying to Dog Shows" provides that a neutered male may be entered as a Stud Dog in the Stud Dog Class and a spayed Bitch may be entered as a Brood Bitch in the Brood Bitch Class.

Brace – (For two dogs of the same breed and must have at least one common owner and presented by a maximum of two handlers.) They need not be entered in any other class. If more than one Brace is entered by the same owner, the dogs comprising each Brace must be so designated, "Brace No. 1," "Brace No. 2" etc.

JUNIOR SHOWMANSHIP COMPETITION

Novice Junior 9 & under 12 yrs • Open Junior 9 & under 12 yrs
Novice Intermediate 12 & under 15 yrs • Open Intermediate 12 & under 15 yrs
Novice Senior 15 & under 18 yrs • Open Senior 15 & under 18 yrs
Master Class

Novice Class - Shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show. Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent or Show Secretary prior to the judging of the class at the show.

Open Class - Shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who have won three (3) first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show.

Master Class - Will be for boys & girls who are at least 9 years old and under 18 years on the day of the show, and who have won 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to complete for the following year.

No entry may be changed or cancelled unless notice of the change or cancellation is received in writing by the Superintendent or Show Secretary named in the premium list to receive entries, prior to the closing date and hour for entries, except that a correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer is made by the Superintendent or Show Secretary prior to the judging of the class at the show.

NOTICE: Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry. You may obtain your junior identification number by calling the AKC, Judges Education Department (919) 233-9767.

As we all know, procedures and guidelines are a “fluid” process. These are the ones currently, July 2021, in play for Purina Farms. Things may change by September.

For up-to-date Purina Farms Covid Procedures go to:

<https://www.purina.com/sites/g/files/auxxlc196/files/2021-06/PF-COVID-OPERATING-GUIDELINES-COPY-6.2.pdf>

**OUR SHARED COMMITMENT
TO SAFETY GUIDELINES**

We, at Purina Farms, recognize that COVID-19 is still here. We also recognize that we have turned a corner and can once again safely operate with everyone’s continued cooperation and diligence.

Purina Farms, including the Visitor Center, has re-opened its doors. We will continue operating at a limited capacity while strictly adhering to applicable safety guidelines recommended by the federal, state, and local guidelines including Center for Disease Control and Prevention (CDC)

- **LIMITED EVENT ATTENDANCE:** Facilities and events will operate at limited capacity based on St. Louis area guidelines. We will continue to update these as local guidelines allow. For now, spectators are not allowed at events. (*Capacity constraints will be adjusted based on current COVID-19 guidelines.*)
- **ENTRY/EXIT POINTS:** Names of registered participants and guests will appear on a check-in list provided to security to allow for entry onto the property.
- **PHYSICAL DISTANCE REQUIREMENTS:** All event participants and guests must follow appropriate social distancing restrictions of six feet or more from others and avoid physical contact with anyone else, including other pets. Floor markings and signage will continue to serve as reminders to maintain social distancing.
- **FACE COVERING REQUIRED:** In alignment with CDC guidelines, fully vaccinated guests and employees will not be required to wear masks while on property but will be encouraged to do so indoors. For unvaccinated individuals, masks will need to continue being worn indoors and outdoors while on the property, unless actively eating or drinking. Face coverings are also encouraged for any guests (if applicable) ages 2-4. If for some medical reason you are unable to wear a face covering, we will determine if there is another alternative for you [and others] to safely enjoy Purina Farms. In line with our culture of trust and mutual respect, we will not be requiring proof of vaccination. We do, however, expect everyone to be honest with each other.

Purina Farms COVID Guidelines Con't

- **ADVANCE CLEANING PROTOCOLS:** Common use items and equipment, including drinking fountains and dog watering stations, will not be available for the time being. Restrooms will be frequently cleaned and disinfected
- **CHILDREN:** Any children on property must always be accompanied by an adult and supervised at all times. Also, see face covering guideline above.

Purina Farms shall reduce capacity and control the maximum number of event participants and guests in its facilities to 25% of the normally permitted occupancy, in accordance with the current Guidance per the City of St. Louis: <https://www.stlouis-mo.gov/government/departments/health/communicable-disease/covid-19/documents/upload/Large-Venues.pdf>

Food and Beverage

- Tables will be set up at least six feet apart for proper social distancing. They should not be moved. Members of the same household and those traveling together may sit together.
- Our staff has been trained to practice "no contact" transfers by placing items down on a counter or table for the next person to pick up, avoiding direct person-to-person contact.
- Single serve beverages (soda, coffee, etc.) will be made available for purchase. Cups will be purchased from a guest service representative; no large stacks will be set out. Food Service Consultants will reinstate hot buffets and will plate for guests, no guest will be allowed to serve themselves. All condiments are single use and shall be provided upon request.

Doing Our Part

All Purina Farms staff and team members will continue the following healthy steps:

- Frequently cleaning and disinfecting commonly used and high touch surfaces.
- Social distancing from guests and their pets.
- Reinforced training on appropriate actions to take if anyone becomes ill or begins displaying COVID-19-like symptoms while on the property.

Our Handling in Case of Illness

Anyone feeling ill or having symptoms consistent with COVID-19 - such as fever, cough, chills, muscle pain, headache, sore throat or shortness of breath - should stay home, or if already on property, they should immediately report their symptoms to Purina Farms security by notifying a member of the Purina Farms team or calling 314-982-222 and isolating themselves from others.

In such event, we will gather all pertinent information to allow Purina Farms to take the appropriate actions, including isolating the person from others and disinfecting the area, as quickly as possible. Anyone feeling ill or exhibiting symptoms will immediately be asked to leave the property. An ambulance will be called for severe illness if needed.

Note: *By visiting Purina Farms property, all event participants and guests acknowledge and agree to abide by all posted guidelines and understand that they are responsible for their personal safety and that of the children and/or pets under their supervision. Any event participant or guests who refuse to comply with guidelines, even after warnings, will be refused entry (if not already on property) or will be asked to leave (with no refund if applicable) and will not be allowed back for the remainder of the event. These actions are at the sole discretion of Purina Farms.*

Show specific:

- **NO FORCED AIR OR STAND DRYERS** allowed only human type handheld dryers can be used.
- Currently operating under limited capacity so we still have no spectators but are hoping by September that can be removed.
- Since we still have the Social Distancing guideline in effect, we are having to space accordingly in the Great Hall and the Gateway Hall.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
